

NAPTA Charitable Trust | Response to Covid-19

The NAPTA Trust acknowledges that Covid-19 has had a severe impact on the entertainment sector. We have discussed how the 2020 Zone One season has had to adapt, with many productions postponed, cancelled mid-season, or indefinitely cancelled.

We are very aware of the energy and commitment that goes into preparing any production and are sending our thoughts to everyone within our theatrical community who are feeling the effects both on and off the stage.

With so much uncertainty regarding alert levels, directives on gatherings, and how these will impact the production calendar for the rest of the year, we have made the decision to cancel Judging for the 2020 season.

The NAPTA Awards Evening is not only about the awards, but coming together as a community to celebrate our collective achievement and support rising stars with scholarships.

With this in mind, and considering next February marks NAPTA's 20th Anniversary, we are full-steam ahead planning an event as a celebration of our theatre community. This promises to be a night to remember, acknowledging the challenges of 2020, celebrating the organisation's milestone, recognising our outstanding volunteers, and awarding scholarships.

We apologise for any inconvenience this decision may cause. If you have any questions or comments, please get in touch with us via email or our Facebook page.

Warm regards,

Zac Johns | Chairperson
