### About the NAPTA Awards

Now in its 19<sup>th</sup> year, the NAPTA Charitable Trust was set up with the **vision of celebrating and promoting Community Theatre** in the Northern region of New Zealand. Our theatre members extend from Pukekohe to Whangarei.

Once a year we host a celebration of, and for, our Volunteers. The NAPTA Awards Evening is an auspicious occasion. Not only do we honour the best performances and creations from the previous year, but it is an occasion to gather with fellow theatre friends, colleagues and volunteers to **thank everyone for their hard work** over the past year, and bring all the different societies together and bond as an extended theatrical family.

**We are committed to recognising excellence, talent, and community service** by offering scholarships and 'Volunteer of the Year' Awards.

The efforts and theatrical standards achieved by thousands of passionate community volunteers, none of whom are paid, within our region is outstanding. It is theatre produced and performed for the love of it and **we invite you to join us** in supporting them.
